If your child is absent or there is no school on his/her sharing day, he/she may share on Wednesday during that week or the next, depending on when the absence is. Please make sure to follow the steps below:

- 1) Choose an appropriate item from the topic assigned (no weapons or items of violence allowed)
- 2) Have your child practice the five clues he/she will give to the class (see the other side)
- 3) Put the item in a bag that you can't see through - you can use the same bag each week
- 4) Don't wait to the last minute to put your sharing item together!

Sharing is an important component to our Kindergarten program. He/she will become more comfortable as time goes on. Practicing is the best way to make sharing less stressful for your child. If you are unsure about an item, please contact me beforehand. No live critters without contacting me first!
